

Chase the Flush is an exciting new card game where players and the dealer receive three hole cards which they combine with four community cards to make the longest possible seven-card flush. Card rankings Ace (high) - 2 (low) are used to break ties between hands with the same number of flush cards.

How to play:

ANTE

X-TRA BONUS

Make an Ante and X-Tra Bonus wager to begin the game. Both bets must be equal.

ALL IN

After receiving three hole cards, players can either bet 3x their Ante or check.

After seeing the two-card flop, players can either bet 2x their Ante or check.

After seeing the Turn and River cards, players can either bet 1x their Ante or fold.

The dealer qualifies with a 9 high three-card flush or higher. If the dealer does not qualify, all remaining Antes push.

When the hands tie, the All In, Ante, and X-Tra Bonus bets push.

*See paytables for odds.

X-TRA BONUS

Wins when the player wins with four or more cards of the same suit.

SAME SUIT

Wins if the player has a four-card flush or higher. Player does not have to win the hand to win the Same Suit Bonus.
