

PREMIUM Hold'em

Premium Hold'em is an exciting new Texas Hold'em-style game where players and the dealer receive three hole cards and share four community cards to make the best five-card poker hand.

HOW TO PLAY

Make an Ante & X-Tra Bonus wager to begin the game. Both bets must be equal.

After receiving three hole cards, players can either bet 3x their Ante before the flop or check. After seeing the four-card flop, players can either bet 1x or 2x their Ante or fold. The dealer qualifies with a pair of 3's or better. If the dealer does not qualify, all remaining Antes push. When the hands tie, the Play, Ante, and X-Tra Bonus bets push.

Mandatory wager that wins odds when the player wins with a straight or better. *See payable for odds.

Optional wagers; win odds if either the player and/or dealer has Two Pair or better (one pair must contain Jacks or better). Player does not have to win the hand to win the Player/Dealer Bonus. *See payable for odds.
